This workshop is the third of 8 quarterly workshops sponsored by the FAA Safety Team to help reduce general aviation accidents. The CFI workshops will improve CFI knowledge, skills and abilities through instructional content and interactive discussion among instructors, examiners, industry experts and FAA personnel. Workshops are 3 hours in length.

*Directions:*North of 26 Mile Road. West of North Ave. (M-97).
EAA Chapter 13 Hangar on the north side of the main parking lot.

Message from the National FAASTeam Manager:
